## Unit Pages: Regular Meetings

- View and Edit when your units meet

1. To Edit the unit meeting times click **manage**

2. Click **edit** to modify the primary meeting schedule and then enter in your primary meeting schedule and then enter in your primary meeting time and location. When done press save. Please note: Troop meeting will always be the primary meeting and will be public.

3. To add another meeting such as a committee meeting click "add meeting". Additional meetings may be private and only viewable by the friends of the unit.
