

Unit Pages: Unit Leadership

- Build a list of unit adult and Scout leadership for emails.
- Choose whether leaders can be viewed by public viewers of the website or by all users
- Indicate a unit leader is trained

1. To Edit the unit leadership click [\[Manage\]](#)

2. To add a leader click "[add leader](#)", enter the relevant information and click save. You can either select a position from the drop down box in the first row or type in the position in the second row. If the individual has a MyCouncil account entering the correct e-mail will link to their account. Selecting the box for Training will put a trained emblem next to their name. The e-mail list manages the unit's ability to e-mail to their leadership
Privacy allows you to establish a unit leader for an e-mail list but not display their name.
