

BE A SCOUT. ORG

The Hawk Mountain Council is going to be using beascout.org this fall. This is a website that a person goes to and types in their zip code to look up units in the surrounding area. When the person enters their zip code the unit information will appear and contact information will be available.

It is not mandatory that your unit participates in this program but it is highly recommended and is a big part of recruitment for other units in surrounding councils in the area.

We will be asking each unit that wants to participate in this for \$36.00. The cost of this program will go towards several different recruitment items to promote the website.

This year the Recruitment Theme is “Words to Live By”

The \$36.00 will include:

- The website – 12 months
- TV advertisement for the website
- Billboards throughout Berks County
- Posters/Fliers/Boy Talks in the schools

DON'T MISS OUT BECAUSE YOUR UNIT NEIGHBORS WON'T. TAKE ADVANTAGE OF THIS GREAT OPPORTUNITY.

If you are interested please fill out the information below and send it back to me completed at bwielebi@bsamail.org. Feel free to contact me by phone at 484-248-0232 if you have any questions or concerns about beascout.org. Thank you
