

Mountain Puzzle Patch Is Back

The Duty to God Puzzle Patch series has come full turn and has rotated back to the Mountain/Sunset segment. If you were missing the Mountain, here's your chance to complete the puzzle. The Puzzle Patch series is on a four-year cycle to encourage Scouting units to put a constant focus on "Duty to God" and to promote the religious emblems programs. Puzzle patches may be earned by both youth and adults. The requirements are simple: learn about the religious awards and make a commitment. Information on religious emblems and sample presentation resources are available from P.R.A.Y. For these and other resources or to purchase a segment of the puzzle, visit www.praypub.org.
