

# BSA National High Adventure

The initial registrations are in! There are three Council Contingent crews going to Philmont in 2012. Your application gave you the trip dates (June 25 – July 8, 2012), but now we need to meet and start the preparation phase.

The entire contingent and their parents need to meet to cover the next steps for your adventure. We will meet for about an hour and a half starting at 1 PM on October 16<sup>th</sup>, 2011 in the cafeteria at Schuylkill Valley Middle School (near Rt 61 and 73) with the following agenda:

- Payment Requirements
- Medical Requirements
- Crew Preparations
- Individual Preparation
- Trek Selection Process
- Next Steps

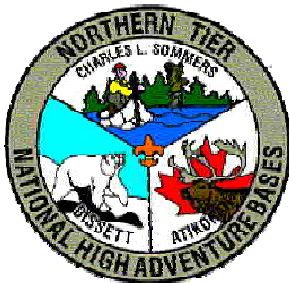

Prior to the meeting it is very important that you make the next installment payment for this adventure. Council must send in the first payment to Philmont very soon so we need everyone to step up and do their part. An additional \$400/participant is required no later than October 1, 2011 at the Council office. The complete payment schedule is on the next page.

Questions? You can contact me, Craig Myers, High Adventure Committee Chairman, at 5474 Boyertown Pike, Birdsboro, PA 19508. Or reply by e-mail to [cpm73@dejazzd.com](mailto:cpm73@dejazzd.com)
