

## **2012 Catholic Retreat UPDATE**

### **ATTENTION SCOUTS & SCOUTERS! CHANGE IS GOOD!**

This year's Catholic Retreat is undergoing a complete overhaul and is being completely revamped, and we want you to know! We also want to you attend!

The Catholic Committee On Scouting is hard at work trying to make the 2012 Retreat something to remember. Gone are the speeches and standard retreat itinerary as done in the past. What we are planning are "special events", a test of skills, both scouting and faith based. Some things will remain like Friday Night Movie Night, The Rosary, the great food, and of course, Saturday evening Mass. But everything else will be completely new! This Retreat is not only for Scouts pursuing their religious awards, but open to every Scout and Scouter of the Catholic Faith. So, Scoutmasters, make this your March Troop camping activity. Scouts, brush up on your Scouting skills and Be Prepared! Older scouts are encouraged to get involved and will help run the events.

The cost has remained the same for over 10 years at a mere \$25 per individual, which includes the entire weekend. Larger Troops are encouraged to tent camp in the sites or we will have a few cabins available as always, and special accommodations for our women leaders will be available. This year, the theme we are planning is "Realizing Your Gifts".

Please check the Catholic Committee web page from the [www.hmc-bsa.org](http://www.hmc-bsa.org) website for registration forms and begin planning your March event and hope to see you there!
